

JUST RELEASED on Amazon !

6 Kindle Short Reads from
The Savanting Studies Series
 by futurist Lauren Holmes

Common workplace challenges are used to teach
 the superior modus operandi of the "future human."

On the surface, *The Savanting Studies Series* appears to be a revolutionary, action-oriented, career-accelerating advice column. In actuality, each standalone Study solves common workplace challenges to teach some aspect of the advanced functionality and superior modus operandi of the "future human."

We've been taught to function as separate entities. Yet we're part of a massive biological infrastructure with which we've co-evolved to operate. *The Savanting Studies* provide the models, strategies, and operational protocols to enable us to exploit these external resources to achieve bigger than we thought ourselves capable.

- **"Follow"** Lauren Holmes on your favorite Amazon site to be notified when each new Study is published.
- **Coming next:** *LEAD from SAVANT SUPERSKILLS when Aspirations exceed Abilities*
- **Bookmark** the home of this unprecedented Series on any Amazon site:

LEAD from ENLIGHTENMENT:

Is Enlightenment possible in a Corporate Job?

by Lauren Holmes

Kindle

\$3.99

Lead from Enlightenment provides a revolutionary process for achieving the same "factory reset" experienced by those who've had an uplifting near-death experience (NDE).

Savanting Study 12 offers an entirely new rapid-fire path to enlightenment. It's a new more sure-fire path to sustained self-actualization, serial self-transcendence, extreme self-knowledge, and your most meaningful contribution to the world.

LEAD from REALITY-PARTNERING: Entrepreneurial Genius from a Higher Power

by Lauren Holmes

Kindle

\$3.99

Lead from Reality-Partnering provides unprecedented techniques for accessing the environmental opportunism and innovation that define entrepreneurship.

Many people have observed flashes of order in reality but couldn't put their finger on how to predict it or, more importantly, how to exploit it.

Savanting Study 11 reveals the detailed messages, patterns, and intent of the dynamic order all around us. You'll discover there are additional resources you can conscript to help you achieve bigger than you thought yourself capable.

LEAD from WHOLENESS: A Breakthrough for the Damaged and Emotionally UNintelligent

by Lauren Holmes

Kindle

\$3.99

Learn how to redesign your job to bypass or even cure your emotional flaws. Free a wasted life sabotaged by toxic emotions to achieve its most meaningful contribution.

Savanting Study 9 uses a real-life example to illustrate an unprecedented model for job redesign which can release you from emotional toxicity – temporarily, for sure, but often permanently. Fear, depression, anger issues, disabling overwhelm, an abusive childhood, bipolar disorder, and such. No need to be held back any longer.
